

Hello, My name is Adriana, but everyone knows me as Adri. I am currently a second year dance undergraduate, but have also done a foundation, giving me an insight into different programmes.

I am a bubbly chatty and very approachable person who is willing to speak up when is necessary and is committed to improve our experience at Trinity Laban. I am a hard-working individual, and in my time representing you, I will work for the dance courses to improve our academic experience. I will also ensure that there are a range of extra-curricular dance classes and events available. I will work to break down the barriers between the student union and the students, trying to create a more tight-knit relationship. I will work for the facilities to be up to scratch, and I will aim for the TLSU office in the dance department to be a friendlier place for us to come together.

My promise to you is to always listen to the students, pushing their voices to be heard and for action to be taken, working hard on your requests. I also promise to strive for good and open communication so you feel supported during your studies, and I promise to aim to get more opportunities for you to get involved in.

I would be delighted to represent you.

Vote for me!
