

SU Nomination

I'm Anna Boehm, a current BA2 contemporary dance student and I am running for the role of Undergraduate Dance Officer. While being a student rep this year I have had the opportunity to speak to many of my peers about their experiences within the dance program and communicate them with faculty. Being the undergraduate dance officer would provide me with a platform to do this on a much larger scale, and allow me to aid in making sure that your ideas, issues, and concerns are being actively taken care of.

- Connections
 - It can be difficult to make connections with people outside of your degree program and even outside of your own year group sometimes. I'm hoping to hold events that could facilitate these kinds of connections
- Accountability
 - Sometimes it can feel like ideas or issues brought up by students can be easily forgotten about. I am dedicated to making sure solutions are carried out to the end
- Involvement
 - The SU has so much to offer! I'm hoping to increase involvement, especially with dance students, and make sure everyone is aware of what resources are available to them
