

Hello, my name is Donal MacAuley, and I am running for Vice President of Events. I am currently a BA2 Musical Theatre student, with a passion for bringing people together. I believe that after the year we have all encountered, it is only right that we take full advantage of next year's events and opportunities – whilst making up for lost time and fun.

As like any performer, I have gained many skills in working with others throughout the years, as well as allowing everyone's voice to be heard, and ideas considered. I am a confident, charismatic and creative guy, with an exceptional level of communication skills. Whether it be in a group environment, hyping everyone up, or in a 1-2-1 conversation discussing life, I am someone that is easily approachable.

If elected, I aim to put in place a plan to reduce the number of plastic cups used at TLSU events, bringing forward Trinity Laban's continuous approach to make the world a cleaner place. As well, I would work alongside the TLSU administrator with setting up discount for those of you that bring a reusable cup to TLSU events. Meaning, "a win for the world, and a win for the wallet".

As someone who believes in visibility, I will work towards putting in place events marking moments in history, and celebrated weeks/months throughout the year. So that, staff and students can celebrate in person, and beyond social media. As well as this, I will signpost and bring light to TL students local events happening both online and around London, so that we can all meet like-minded people, that stand for the same things we do.

I will also work alongside the VP of Societies, bringing visibility and opportunity for societies to put on events, if they wish to do so. Allowing people outside of the society to see what is available, and what it involves.

If you're someone who likes TV, this next one is for you. How many times have you wanted to celebrate the season finale of your favourite show, but haven't got anyone to celebrate it with? I will introduce TV finale watch parties, for example, BYOB (Bring Your Own Bakes) to the Great British Bake-Off finale, an opportunity for you to meet people with similar interests and have a nibble or two. Or if cakes and croissants aren't your thing, how about a touch of royalty, whilst watching *The Crown*, in the very building that it was filmed in!

As a previous winner of many TLSU competitions, both for costumes and talent. I will strive to continue to deliver costumes, whilst also giving others the opportunity to win. So, for all that, and more, vote for me to be Vice President of Events.
