Hi! My name is Niamh and I'm Running for Events VP

I'm originally from Newcastle and I'm sure you all know that we know how to party in the North, so you will be in safe hands

I'm fun, organised and love planning so I will be ideal for this position! I've got experience in planning events, like recitals and concerts which have attracted hundreds of people

I'd love to expand the events the SU puts on throughout the year and I have loads of ideas - I want to create an **events forum**, where you, the students, have a say on what kind of events you'd like to see - at the end of the day, *you'll* be attending them!

I want to bring students together after the mess of the year we've all had and get us partying into the night celebrating corona free times - and a belated start of the roaring 20's!

I want to **continue events** - bigger and better:

- Boat Party
- Silent Discos
- Oktoberfest
- Opening the SU bar more regularly

And I want to be always looking for **new events** to put on - some ideas I have:

- Bongo's bingo
- Escape rooms
- Pizza in the Park
- Karaoke nights
- Pub crawls

I want to work closely with the society officer, and broaden the number of societies there are, so no one is left out!

Let's create some memories together! -
