

# PETER FENECH

## VICE-PRESIDENT OF MUSIC

### RUNNING AGAIN

---

Once again, I am running to be your Vice-President of Music. Being a VP for the past year has been an incredible experience, I have met so many of you and had the opportunity to listen and communicate on your behalf and it would be my absolute privilege to represent you once again.

### PREVIOUS MANIFESTO IN BRIEF

---

- **Maintain communications between Students and Staff.**
- **Encourage repertoire requests by the students for future projects.**
- **Push for more projects related to Ballet, Opera and Musical Theatre.**
- **Help further support student led orchestras, bands, and large ensembles.**

### CURRENT MANIFESTO

---

Last year I was optimistic at the idea of having a descent number of people per-room to have the opportunity to get together and achieve something in person.

Next year as we approach a brighter and closer conservatoire experience, I hope to deliver the points from my previous manifesto as well as these new ones:

- **New lockers:** For next year we have requested over 30 new lockers which I plan to loan out as soon as we can, especially considering the increase in the number of students needing lockers
- **Performance space:** With the SU getting a revamp and a new bar, I would like the space to be used for evening performances/rehearsals.
- **Student representatives:** I plan on having regular meetings every term with the student reps from every department.
- **Fair use of Practice rooms:** I believe that every student here should have access to as many rooms and as many practice facilities as possible and I want to ensure this is enforced.
- **Equality and diversity:** as VP of Music, it will be my responsibility to encourage a more diverse music education program to represent everyone who enters Trinity Laban.

I would like to thank **YOU** the student body for putting your trust and confidence in me over the past year. I have been incredibly proud to be your Vice-President and I hope to be once again. I wish to continue the work that I have started and leave here in 2022 knowing I did my best to make student life at TL better.
