

WHO AM I

My name is Shannon Oleson and I am a second year MFA dance performance student. I am energetic, vibrant and strive to enjoy life in active and invigorating ways. I am determined to contribute my time and energy to create positive changes the students want to see. As a post-graduate student especially, I believe that I can have an impartial view to the matters of the school and as a result improve the compatibility of the school with you – the student body.

WHY VOTE FOR ME

I have a wealth of information in Higher Education and Leadership, and I have the students' interests at heart. With your voices behind me, I can use my knowledge and experience to represent and implement your ideas. I would be honored to represent you during the current academic year and to be given the opportunity to make a positive impact on your experience at Trinity Laban.

Shannon Oleson FOR VP OF DANCE

As your VP on the council for dance I will aim to ensure:

- Anyone can make their voice heard and express their opinion on the running of the school, regardless of year or any other factor
- The student body (you) are kept informed of the decisions made by the student Union
- Decisions made by the SU council are to the benefit of all of the students
- Working with student services to provide support for student's mental health with an aim of removing stigma and promoting understanding
- Support and participation across programmes to better improve students experience
