

Jesse Musson, Societies officer Manifesto

Hi, I'm Jesse, I am a fourth year classical trumpet student!

I have hobbies outside of practising and I want to encourage others who do too to get involved in extracurricular activities!!!

What I aim to do:

- Help students set up and join a society
- Support other TLSU members to help maximise your student experience at Trinity Laban
- Make sure everyone has a positive extra-curricular experience

How I will achieve such aims:

- Make sure that information on all societies is easy to find
- Make sure the process of setting up a society is easy
- Work closely with the VP of events to ensure effortless running of events and societies
- Build on what has already been established by the great work of the current SU team

I hope that I can count on your vote! 😊
