

Vote Phoebe for Events Officer!

The SU needs **More,**
More diversity
More inclusivity
More collaborations
More Events!

I want to bring a new energy to the SU events, while maintaining our Trinity Laban traditions like the boat party and summer ball.

Let's keep Freshers, but add ReFreshers

Lets keep the boat party but add bingo, blind dates and a TL sleepover

Lets have our traditional summer ball but have club night and more live music in the undercroft.

Lets keep our Jazz jams but add colaborations with the Welfare team to do oragami, painting and massages

Lets keep the Quiz but add a board game night.

I want to do a TL's got Talent (anything but music and dance) a Sports day and Year Books!

**AND LETS BRING BACK THE
 OUTSIDE BAR!**
