

# Vote Maddie Williams for Welfare Officer!

Do you have a concern you would like to raise? I will **listen** to you and **take action**!

Whether you study dance, music or MT, I will **support your wellbeing** at Trinity Laban!

Would you like to see a **greener** Trinity Laban? I will campaign for **sustainability** at TL!

Do you **need help** but don't know who to ask? I will work closely with the **Student Support/counselling team** so you can get the support you need!

What I stand for:

- Physical and mental wellbeing
- LGBTQIA+ representation
- Positive international student experience
- Zero tolerance of discrimination (race, gender, ability and others)
- Sustainability at TL

I would like to hear your ideas too!

Do you have a **course/staff** related issue you would like the SU to address? I will **represent your voice**!

My ideas:

- **Second-hand** homeware/clothes events at the SU (cheap, eco-friendly and builds community)
- Better provisions for **health** (injury prevention, hearing health etc)
- **Dedicated and available** for hearing your needs and feedback throughout the year
