Eligibility Requirements

As per the Extraordinary General Meeting of Trinity Laban Students' Union held in February 2025, TLSU now has eligibility criteria to apply for any position on the Students' Union.

Applications for the role of President must be eligible to work in the UK for the period in question. TLSU or the Returning Officer may ask for evidence for eligibility before accepting a nomination.

Applicants for the role of TLSU President, Vice President and/or any officer position should discuss their needs and support requirements with the Registrar nominee to ensure adequate support can be delivered to fulfil the role, prior to their nomination. This is recommended but not compulsory.

Any nomination for the role of TLSU President, Vice President and/or any officer or non-executive position may not stand if they have had a Trinity Laban student disciplinary complaint or Trinity Laban Students' Union complaint previously upheld against them, without the permission of the Trinity Laban Registrar or their nominee, on a case by case basis.

Applicants with an ongoing Trinity Laban student disciplinary complaint or Trinity Laban Students' Union complaint will be assessed on a case-by-case basis.

In line with clause 1.8.2 of this Schedule, no nominee may stand, if previously disallowed by the Returning Officer from standing in future elections, unless this right was removed for a limited period, which has now lapsed.

Applicants for the role of TLSU President, Vice President and/or any officer position must be in good academic standing at the time of submitting a nomination form. Good academic standing means that students have no more than one failed or deferred assessment at the time the nomination form is submitted. Any nomination where a student has more than one deferred assessment will be dealt with on a case by case basis as determined by the Trinity Laban Registrar or their nominee. This criteria is in place to ensure students' applying for President/Officer roles are able to fulfil their duties to the TLSU without it interfering with their ability to complete their programme.

Students' who do not meet these requirements need not apply

See on the next page the available positions and their responsibilities.
